**DEBTORS' MOTION PURSUANT TO SECTIONS 105(a) AND  
366 OF THE BANKRUPTCY CODE TO (i) APPROVE THE  
DEBTORS' PROPOSED FORM OF ADEQUATE ASSURANCE OF  
PAYMENT, (ii) ESTABLISH PROCEDURES FOR RESOLVING  
OBJECTIONS BY UTILITY COMPANIES, AND (iii) PROHIBIT  
UTILITIES FROM ALTERING, REFUSING, OR DISCONTINUING SERVICE**

TO THE HONORABLE UNITED STATES BANKRUPTCY JUDGE:

Steve & Barry's Manhattan LLC and its debtor affiliates, as debtors and debtors  
in possession (collectively, "Steve & Barry's" or the "Debtors"), respectfully represent:

**Background**

1. On the date hereof (the "Commencement Date"), the Debtors each  
commenced with this Court a voluntary case under chapter 11 of title 11 of the United States  
Code (the "Bankruptcy Code"). The Debtors are authorized to operate their businesses and

manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. Contemporaneously herewith, the Debtors filed a motion seeking joint administration of their chapter 11 cases pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

### **Steve & Barry’s Business**

3. Steve & Barry’s is a specialty retailer of apparel and accessories that provides consumers with quality low-priced apparel. Founded in 1985, Steve & Barry’s has grown exponentially from an original store in Philadelphia, Pennsylvania to 276 stores located throughout the United States. Many Steve & Barry’s retail locations serve economically challenged areas that other retailers have abandoned because of household income levels, population trends or crime rates. During the course of its expansion, Steve & Barry’s has diversified its business beyond its original line of university apparel, and its products currently fall broadly into three categories: (i) licensed university apparel and lifestyle brands, (ii) private-label casual clothing and accessories for men, women and children, and (iii) exclusive celebrity branded lines of apparel and accessories.

4. Steve & Barry’s offers quality apparel and accessories at dramatically lower prices than typically found for similar goods from other specialty retailers, and in a more upscale, customer-friendly store design. Steve & Barry’s achieves this by operating stores with low occupancy costs, and by relying mostly upon word of mouth and news stories, rather than paid print or other advertising, resulting in significant cost savings. Steve & Barry’s keeps its costs low by maintaining overseas offices and purchasing most merchandise directly from their sources without intermediaries. The savings realized through each strategy are then passed on to

Steve & Barry's customers in the form of low prices. Almost all items in Steve & Barry's retail locations are priced at \$9.98 or less.

5. As of May 31, 2008, Steve & Barry's (including nondebtor affiliates) consolidated assets totaled approximately \$693.5 million and recorded consolidated liabilities totaled approximately \$638 million. Consolidated revenues for the twelve months ended May 31, 2008, were approximately \$656.6 million. Steve & Barry's currently employs, either directly or through its non-debtor affiliates, approximately 8,600 domestic employees and 1,100 international employees. Approximately 7,300 of the domestic employees are part-time hourly employees and 1,300 are full-time salaried employees.

#### **Jurisdiction and Venue**

6. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

#### **Relief Requested**

7. By this Motion, pursuant to sections 105(a) and 366 of the Bankruptcy Code, the Debtors seek (i) approval of the Debtors' Proposed Adequate Assurance (as defined below); (ii) to establish procedures for resolving any objections to the Motion by the Utility Companies (as defined below) that the Proposed Adequate Assurance is not adequate; and (iii) to prohibit the Utility Companies from altering, refusing, or discontinuing service to, or discriminating against, the Debtors solely on the basis of the commencement of these chapter 11 cases or a debt that is owed by the Debtors for services rendered prior to the Commencement Date.

### **The Utility Companies**

8. In connection with the operation of their businesses, the Debtors obtain electricity, natural gas, oil, water, sewer, telephone, trash collection, and/or other services (collectively, the “Utility Services”) from a number of utilities, as that term is used in section 366 of the Bankruptcy Code (the “Utility Companies”). The Utility Companies, along with their respective affiliates, that provide Utility Services to the Debtors as of the Commencement Date are listed on Exhibit A annexed hereto (the “Utility Service List”).<sup>1</sup>

9. The Debtors pay approximately \$2,000,000 per month on account of Utility Services. To the best of the Debtors’ knowledge, there are few, if any, defaults or arrearages of any significance with respect to the Debtors’ undisputed invoices for Utility Services, other than payment interruptions that may be caused by the commencement of these chapter 11 cases.

10. Given that the Debtors operate 276 retail stores in addition to their corporate headquarters and warehouse and distribution facilities, uninterrupted Utility Services are essential to their ongoing operations and the success of their reorganization. In addition, in light of the nature of the services provided by the Utility Companies, the Debtors cannot easily find replacement services. Should any Utility Company refuse or discontinue service, even for a brief period, the Debtors’ business operations could be severely disrupted. The impact of this disruption on the Debtors’ business operations and revenue would be extremely harmful and would jeopardize the Debtors’ reorganization efforts. It is therefore critical that Utility Services continue uninterrupted.

---

<sup>1</sup> The inclusion of any entity on, as well as any omission of any entity from, Exhibit A and the description thereof is not an admission or concession that such entity is, or is not, a utility within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve all rights and defenses with respect thereto.

11. The Debtors intend to pay all postpetition obligations owed to the Utility Companies in a timely manner, and believe that there will be sufficient funds available to permit them to do so. If, however, any Utility Company believes additional assurance is required than what the Debtors propose herein, they may file an objection to the Motion in accordance with the procedures set forth below.

### **Adequate Assurance of Payment of Postpetition Charges**

12. Pursuant to section 366(c)(2) of the Bankruptcy Code, a utility may alter, refuse or discontinue a chapter 11 debtor's utility service if the utility does not receive from the debtor or the trustee within 30 days of the commencement of the debtor's chapter 11 case "adequate assurance of payment" for postpetition utility services. 11 U.S.C. § 366(c)(2). Section 366(c)(1) of the Bankruptcy Code provides that "assurance of payment" of postpetition charges may consist of "(i) a cash deposit; (ii) a letter of credit; (iii) a certificate of deposit; (iv) a surety bond; (v) a prepayment of utility consumption; or (vi) another form of security that is mutually agreed on between the utility and the debtor or the trustee." 11 U.S.C. § 366(c)(1)(A).

### **The Proposed Adequate Assurance Deposit**

13. In connection with the relief requested herein, the Debtors propose to provide adequate assurance of payment to each Utility Company, pursuant to section 366 of the Bankruptcy Code, in the form of a cash deposit. The Debtors propose to provide a deposit to any requesting Utility Company no more than five (5) business days after the receipt of such request, which deposit will be equal to two (2) weeks of Utility Service, calculated based on the historical average over the past 12 months (the "Adequate Assurance Deposit"), provided that: (a) such request is made in accordance with the procedures set forth below; (b) the requesting Utility Company does not already hold a deposit equal to or greater than two (2) weeks of Utility

Services; and (c) the requesting Utility Company is not currently paid in advance for its Utility Services. As a condition to requesting and accepting an Adequate Assurance Deposit, the requesting Utility Company shall be deemed to have stipulated that the Adequate Assurance Deposit constitutes adequate assurance of payment to such Utility Company within the meaning of section 366 of the Bankruptcy Code.<sup>2</sup>

#### **Adequate Assurance Deposit Request Deadline**

14. A Utility Company seeking an Adequate Assurance Deposit must make such request in writing to (i) the Debtors, Steve & Barry's, 12 Harbor Park Drive, Port Washington, New York 11050 (Attn: Adam I. Mandelbaum, Esq.), and (ii) the attorneys for the Debtors, Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Shai Y. Waisman, Esq. and Matthew L. Curro, Esq.) (together, the "Notice Parties"), so that it is received on or before **4:00 p.m. (prevailing Eastern Time) on July 25, 2008**.

#### **Adequacy of Proposed Adequate Assurance**

15. The Debtors submit that the Adequate Assurance Deposit, in conjunction with the Debtors' ability to pay for future Utility Services in the ordinary course of business (collectively, the "Proposed Adequate Assurance"), constitutes adequate assurance to the Utility Companies. Accordingly, upon entry of an order granting the relief sought in this Motion, any Utility Company that fails to timely request an Adequate Assurance Deposit on or before **4:00 p.m. (prevailing Eastern Time) on July 25, 2008**, or otherwise file an objection to the Motion as described below, shall be deemed to have been provided with adequate assurance of payment as required by section 366 of the Bankruptcy Code and shall be prohibited from discontinuing,

---

<sup>2</sup> The Debtors further request that any Adequate Assurance Deposit required by, and provided to, any Utility Company pursuant to the procedures described above be returned to the Debtors at the conclusion of these chapter 11 cases, if not returned or applied sooner.

altering, or refusing to provide Utility Services, including as a result of unpaid charges for prepetition Utility Services.

### **Objections To The Proposed Adequate Assurance**

16. In light of the severe consequences to the Debtors of any interruption in services by the Utility Companies, but recognizing the right of the Utility Companies to evaluate the Proposed Adequate Assurance on a case-by-case basis, any Utility Company not satisfied with an Adequate Assurance Deposit (i) must file an objection ("Objection"), which Objection shall (a) be in writing; (b) set forth the amount and form of additional assurance of payment requested, (c) set forth the location for which Utility Services are provided, (d) include a summary of the Debtors' payment history to such Utility Company, including any security deposits, and (e) set forth why the Utility Company believes the Proposed Adequate Assurance is not sufficient adequate assurance of payment; and (ii) file the Objection with the Court and serve it upon the Notice Parties so that it is received on or before **4:00 p.m. (prevailing Eastern Time) on July 25, 2008.**

17. The Court will determine the adequacy of the Proposed Adequate Assurance with respect to all Objections not resolved prior to the hearing pursuant to section 366(c) of the Bankruptcy Code.

18. Absent compliance with the procedures set forth herein to request an Adequate Assurance Deposit or final adjudication of a timely objection to the Proposed Adequate Assurance, the Utility Companies will be forbidden from altering, refusing, or discontinuing service as a result of any unpaid prepetition charges, or the Debtors' failure to provide additional adequate assurance of payment other than the Proposed Adequate Assurance.

In addition, pending the entry of an order with respect to this Motion, the Utility Companies are prohibited from discontinuing, altering, or refusing service to the Debtors.

**Subsequent Modifications of Utility Company List**

19. Although the Debtors have made an extensive and good-faith effort to identify all of the Debtors' providers of Utility Services on Exhibit A, certain Utility Companies that currently provide Utility Services to the Debtors may not be listed on Exhibit A. To the extent that the Debtors identify additional Utility Companies, the Debtors will promptly file amendments to the Utility Service List, and shall serve copies of the order approving this Motion (when and if entered) on such newly-identified Utility Companies. The Debtors request that the order approving this Motion be binding on all Utility Companies, regardless of when such Utility Company was added to the Utility Service List.

**Basis for Relief Requested**

20. The relief requested herein will ensure that the Debtors' operations will not be disrupted. If a disruption occurs, the impact on the Debtors' business operations and revenue would be extremely harmful. The relief requested provides the Utility Companies with a fair and orderly procedure for determining requests for additional or different adequate assurance. Without the adequate assurance procedures sought herein, the Debtors could be forced to address numerous requests by Utility Companies in a disorganized manner at a critical period in these chapter 11 cases and during a time when the Debtors' efforts could be more productively focused on the continuation of the Debtors' operations for the benefit of all parties in interest.

21. Prior to the enactment of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 (the "2005 Amendments"), it was well established by courts, commentators, and legislative history that section 366 of the Bankruptcy Code did not require, as

a matter of course, that the debtor provide a deposit or other security to its utilities as adequate assurance of payment. In Virginia Electric & Power Co. v. Caldor, Inc., 117 F.3d 646, 647 (2d Cir. 1997), the United States Court of Appeals for the Second Circuit affirmed the bankruptcy court's ruling that the debtor's prepetition payment history, its postpetition liquidity, and the administrative expense priority afforded to postpetition invoices constituted adequate assurance of future performance. The Second Circuit rejected the argument that section 366(b) nevertheless required a "deposit or other security," holding that "a bankruptcy court's authority to 'modify' the level of the 'deposit or other security,' provided for under section 366(b), includes the power to require no 'deposit or other security' where none is necessary to provide a utility supplier with 'adequate assurance of payment.'" Id. at 650. See also Shirey v. Philadelphia Elec. Co. (In re Shirey), 25 B.R. 247, 249 (Bankr. E.D. Pa. 1982) ("section 366(b)... does not permit a utility to request adequate assurance of payment for continued services unless there has been a default by the debtor on a pre-petition debt owed for services rendered.").

22. Under the 2005 Amendments, section 366(c) of the Bankruptcy Code permits a utility company that provides service to a debtor in a chapter 11 case to alter, refuse, or discontinue utility service if, within 30 days after the commencement of the chapter 11 case, the utility company does not receive adequate assurance in a form that is "satisfactory" to the utility company, subject to the Court's ability to modify the amount of adequate assurance. Furthermore, pursuant to section 366(c)(3)(B), in determining whether an assurance of payment is adequate, the court may not consider (i) the absence of security before the petition date, (ii) the debtor's history of timely payments or (iii) the availability of an administrative expense priority.

23. The 2005 Amendments clarified what does and does not constitute “assurance of payment” and what can be considered in determining whether such assurance is adequate. In enacting section 366(c) of the Bankruptcy Code, Congress did not divest the Court of its power to determine what amount, if any, is necessary to provide adequate assurance of payment to a Utility Company. See 11 U.S.C. § 366(c)(3)(A) (“On request of a party in interest and after notice and a hearing, the Court may order modification of the amount of an assurance of payment . . .”). Under section 366(c), there is nothing to prevent a court from deciding, as courts have before the enactment of the 2005 Amendments, that, on the facts of the case before it, the amount required of the Debtors to adequately assure payment to a utility company is nominal, or even zero.

24. Moreover, Congress has not changed the requirement that the assurance of payment only be “adequate.” Courts construing the meaning of “adequate” assurance of payment under section 366(b) of the Bankruptcy Code prior to the 2005 Amendments held that it did not require an absolute guarantee of the debtor’s ability to pay. See, e.g., In re Caldor, Inc. – N.Y., 199 B.R. 1, 3 (S.D.N.Y. 1996) (“Section 366(b) requires [a] [b]ankruptcy [c]ourt to determine whether the circumstances are sufficient to provide a utility with ‘adequate assurance’ of payment. The statute does not require an ‘absolute guarantee of payment.’”) (citation omitted), aff’d sub nom. Virginia Elec. & Power Co. v. Caldor, Inc – N.Y., 117 F.3d 646 (2d Cir. 1997); In re Adelphia Bus. Solutions, Inc., 280 B.R. 63, 80 (Bankr. S.D.N.Y. 2002) (same). Therefore, despite the language in section 366(c)(2) of the Bankruptcy Code allowing a utility to take action against a debtor should the debtor fail to provide adequate assurance of payment that is “satisfactory” to the utility, section 366 of the Bankruptcy Code does not require that the

assurance provided be “satisfactory” once the Court determines the appropriate amount of adequate assurances.

25. Based on the foregoing, the Debtors believe that the Proposed Adequate Assurance is reasonable and satisfies the requirements of section 366 of the Bankruptcy Code. The relief requested in this Motion is similar to the relief granted by courts in this district in other recent chapter 11 cases filed after the 2005 Amendments became effective.<sup>3</sup> See, e.g., In re Lexington Precision Corp., Case No. 08-11153 (MG) (Bankr. S.D.N.Y. April 22, 2008) [Doc. No. 82]; In re PRC, LLC, Case No. 08-10239 (MG) (Bankr. S.D.N.Y. Feb. 13, 2008) [Doc. No. 130], (Bankr. S.D.N.Y. Jan. 25, 2008) [Doc. No. 38]; In re Fortunoff Fine Jewelry and Silverware, LLC, Case No. 08-10353 (JMP) (Bankr. S.D.N.Y. Feb. 29, 2008) [Doc. No. 307], (Bankr. S.D.N.Y. Feb. 4, 2008) [Doc. No. 28]; In re Silicon Graphics, Inc., Case No. 06-10977 (ALG) (Bankr. S.D.N.Y. May 25, 2006) [Doc. No. 121] (same); In re Dana Corp., Case No. 06-10354 (BRL) (Bankr. S.D.N.Y. Mar. 6, 2006) [Doc. No. 86]; (Bankr. S.D.N.Y. Mar. 29, 2006) [Doc. No. 736]; In re Calpine Corp., Case No. 05-60200 (BRL) (Bankr. S.D.N.Y. Jan. 18, 2006) [Doc. No. 496], (Bankr. S.D.N.Y. Dec. 21, 2005) [Doc. No. 36] (same).

26. Further, the Court possesses the power, under section 105(a) of the Bankruptcy Code, to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a). The proposed procedures will ensure the Debtors’ Utility Services are continued without prejudicing the Utility Companies.

---

<sup>3</sup> Because of the voluminous nature of the unreported orders cited herein, they are not annexed to this Motion. Copies of these orders are available upon request of Debtors' counsel, including at the hearing to consider the Motion.

27. The Debtors submit, therefore, that the relief requested herein is necessary and appropriate, is in the best interests of their estates and creditors, and should be granted in all respects.

### **Memorandum of Law**

28. Pursuant to Local Bankruptcy Rule for the Southern District of New York 9013-1(b), because there are no novel issues of law presented herein, the Debtors respectfully request that the Court waive the requirement that the Debtors file a memorandum of law in support of this Motion.

### **Notice**

29. No trustee, examiner, or creditors' committee has been appointed in these chapter 11 cases. The Debtors have served notice of this Motion on (i) the Office of the United States Trustee for the Southern District of New York, (ii) counsel to the agents for the Debtors' prepetition lenders, (iii) those creditors holding the thirty largest unsecured claims against the Debtors' estates (on a consolidated basis), and (iv) the Utility Companies. The Debtors submit that no other or further notice need be provided.

30. No previous request for the relief sought herein has been made to this or any other court.

WHEREFORE the Debtors respectfully request entry of an order granting the relief requested herein and such other and further relief as is just.
